

Lawn Calendar

What to do list

<u>Month</u>	<u>Activity</u>
January	Read gardening books, enjoy your fireplace and feed the birds. Shop for garden seeds at L.A. Reynolds.
February	Apply Crabgrass Preventer or Crabgrass Preventer plus fertilizer. Apply pelletize lime if needed.
March	Seed and fertilize late in month, <u>or</u> apply crabgrass preventer early in month. Lime if needed.
April	Seed and fertilize <u>or</u> apply weed and feed.
May	Mow grass at highest setting on mower. Apply weed control if necessary.
June	Use fungicide labeled for grass if brown patch develops
July	Bermuda grass control.
August	Bermuda grass control.
September	Plug, seed, fertilize, lime, and water if needed. Mow low before you seed and fertilize. Start early and especially if you have shade trees because of falling leaves.
October	Plug, seed, fertilize, and lime asap if you missed doing in September.
November	Remove leaves from lawn.
December	Shop L. A. Reynolds Christmas Showcase SM .

- NOTES:**
1. Apply lime once or twice every year at the rate of 40 – 50 pounds per 1,000 square feet of lawn area. Lime can be applied year round during any month.
 2. Seed should be applied at the rate of four to five pounds for every 1,000 square feet on an established lawn and eight to ten pounds for every 1,000 square feet for a new lawn.
 3. September and early October are the best times to seed a lawn.
 4. Water as needed in the warm and hot months.
